WHY WORK WITH CANPRO

Practical export approach, everyday-demand categories, flexible brand solutions

01

High-rotation categories for everyday demand

Core canned meats and ready meals suited to daily consumption in wholesale, retail and institutional channels.

02

Shelf-stable products for efficient distribution

Ambient products with long shelf life that help simplify storage, transport and stockholding.

03

Suitable for wholesale, retail & cash and carry

A practical product mix built for distributors, supermarkets, open trade and foodservice supply.

04

Bayville brand or private label flexibility

Choose the existing Bayville line or develop your own label, recipe profile and market positioning.

05

Practical export cooperation

Responsive communication, commercial flexibility and export support for long-term distributor partnerships.
